Pinnacle Differentiators

Intention-Based Communication Skills®

The same techniques that make actors and world leaders confident, persuasive, and engaging for centuries can have the same effect for anyone in the corporate arena. The Pinnacle Method ensures your audience always understands why your message is important to them.

Detailed Focus on Delivery

We leverage extensive video analysis to dissect your communication skills through our customized, experiential training.

3-Stage Customization

Our design process tailors each workshop, module, and exercise to suit the specific needs of our clients. Pinnacle workshops are unique and innovative experiences packed with practical, dynamic exercises and simulations.

Pinnacle Master Instructors

Pinnacle trainers do not freelance. Our instructors' performance backgrounds ensure they are among the most dynamic and effective in the industry today.

Focus on Retention

Pinnacle offers a comprehensive process for retention, featuring web-based refresher tools, follow-up sessions, Virtual Coach packages, and access to The Pinnacle Learning Portal.

About Pinnacle Performance Company

"Pinnacle virtually assessed the presentation skills of over 200 of our rising leaders and provided comprehensive analysis and coaching to each of them. This was an excellent virtual coaching approach, and the outcome was well worth the investment."
